

ALPHA Education 2022 - 2023 Webinar  
Series: Contested Histories

# Different Voices on Violence Against Women

Cultural memory has been manipulated throughout history to favour colonizing perspectives. This webinar will present alternative voices on dimensions of women's resistance against violence and humiliation. In exploring the often-overlooked and forgotten female victims throughout the turbulent years of the 20th century and of WWII in Asia, themes of militarism, patriarchy, and social disablism are discussed.

**February 16, 2023**

19:00 - 20:30 ET

16:00 - 15:30 PT

**February 17, 2023**

8:00 - 9:30 HKT

9:00 - 10:30 JPT

10:00 - 11:30 AEDT
